Yes, Barker, what you say is true!
I used a number one shampoo,
And came to, as I always do,
Because I can rely on you
To choose your Dover Soap, to find
Of soaps of diverse hues and kind
From one of which such fits ensue,

Well, sir, we Barkers suffer very,
From hunting quicken, and ere
That we have tried believe we know!
Poor toilet frauds to which are due
More scalp-diseases than a few.
I know we are the safer who
Use Dover Soap for a shampoo.

James H. Walker & Co.,

Housekeepers sometimes ask the question, WHERE SHALL WE BUY OUR CHINA, CROCKERY, and GLASSWARE, in order to obtain the largest variety, best quality, and the lowest prices? We answer unhesitatingly,

BUY THEM FROM US.

For the following reasons:

First — Our manufacturer is the largest maker of such goods in the world, possessing five factories. His manufactures embrace nearly everything which a housekeeper can desire. His product is so enormous that he is more anxious to sell a large quantity than to make a large profit, and in order to accomplish this end we invariably sell at lower prices than are obtainable elsewhere. We ask housekeepers who are in the habit of buying these goods from other stores to come and give our stock a fair trial. We will offer them a larger variety to select from than can be obtained anywhere else, and they will find our prices considerably lower than those of any other establishment.
